### 10<sup>TH</sup> ANNIVERSARY OF CASLPO TODAY

DATED June 2012

---

2012 marked the 10<sup>th</sup> anniversary of our College publication, CASLPO Today. In celebration of this milestone, CASLPO has been including special features in each issue that allow us to look back over the decade including:

- Gallery of the 10 years of CASLPO Today cover pages
- "Best of..." reprinted articles
- A new cover reflecting the milestone of 10 years in publication
- Special feature articles looking back over the 10 years

At the end of this year we will be looking forward to the beginning of the second decade of publishing CASLPO Today. In order to keep up with our members, 2013 will see our publication coming into the electronic age, with an entirely new, interactive, online version of CASLPO Today.
